WASHING INSTRUCTIONS

Questa tabella taglie è stata sviluppata in base ad anni di esperienza e può essere utilizzata come linea guida al momento dell'acquisto degli articoli Macron. I prodotti Macron sono realizzati secondo alti standard e sono soggetti a rigide procedure di controllo qualità. L'indumento potrebbe comunque scolorire per via di sostanze come fango ed erba, linimento o olio e naturalmente sudore, le quali potrebbero non essere completamente rimosse tramite lavaggio dell'indumento. L'estensione della decolorazione potrà essere ridotta bagnando e/o lavando l'indumento in acqua e detersivo subito dopo il suo uso, utilizzando almeno lo stesso volume d'acqua pari all'indumento trattato. Seguire sempre le istruzioni dei produttori di detersivo, in particolare quelle rivolte alla rimozione di macchie, ed evitare l'utilizzo di prodotti contenenti candeggina. Macron non si ritiene responsabile dell'eventuale decolorazione o del danno subito dal capo, a causa di macchie dovute a elementi estranei a quelli utilizzati in fase di produzione. Vi informiamo che in fase di riproduzione fotografica e di stampa potrebbero riscontrarsi alcune differenze di colore tra foto e prodotto originale. Decliniamo qualsiasi responsabilità relativamente a errori di stampa del catalogo. Ci accogliamo il diritto di poter effettuare dei cambiamenti di prodotto/tecniche (design, colore, funzione e materiale), in caso questi possano secondo il nostro parere arrecare un miglioramento nel prodotto.

These size charts have been developed on the basis of years of experience and can be used as a guideline when buying Macron. Macron products are made to meet the highest standards and are subject to strict quality control procedures. Garments however can discolour due to substances such as mud and grass, liniment or oil, and of course perspiration, all of which may not be fully removable by washing. The extent of discolouration can be greatly reduced by following a few simple procedures. Soaking and/or washing the garment in water and detergent as soon as possible after use can reduce discolouration, using at least the same volume of water as the garment being treated. Always follow detergent manufacturers instructions, especially those intended to tackle heavy stains and avoid products containing bleach. Macron cannot accept any liability for discolouration or damage to garments resulting from staining caused by elements foreign to the materials used in manufacture. On photographic reproduction and print some colour changes may occur between pictures and original products. We reserve the right to make product/technical changes (in design, colour, function and material), which we feel, will make for improvement of the product. We do not accept any responsibility for printing errors in the catalogue.

DESIGN SU MISURA PER SEGUIRE I TUOI MOVIMENTI

I prodotti PERFORMANCE sono studiati ad hoc tenendo conto della morfologia dell'atleta. La dosata elasticità dei capi sostiene la muscolatura e accompagna ogni movimento come una seconda pelle, garantendo una notevole libertà nei movimenti ed una piacevole sensazione di comfort. La linea PERFORMANCE è adatta per ogni tipo di sport.

NATA PER LO SPORT

I prodotti PERFORMANCE sono realizzati in Nylon 6.6 in modo da garantire al capo leggerezza, stabilità dimensionale, elasticità e una maggiore resistenza all'usura. Grazie a questo filato i capi risultano di facile manutenzione e asciugano rapidamente diventando così un prodotto indispensabile per chi pratica sport.

TAILORED DESIGN TO FOLLOW YOUR MOVEMENTS

The PERFORMANCE products are designed specifically taking into account the morphology of the athlete. The gradual elasticity of the garments support the muscles and accompanies every movement like a second skin, allowing freedom of movement and a high comfort feeling. The PERFORMANCE line is suitable for all kinds of sports.

BORN FOR SPORT

The PERFORMANCE products are made of Nylon 6.6 to ensure lightness, dimensional stability, elasticity and a greater resistance to wear. Thanks to this fabric, the items dry quicker and are easier to maintain making them indispensable for those who practice sports.
